About Stonegate by AFX

Stonegate by AFX specializes in elegant, made-to-order, home lighting and contract hospitality lighting for hotels, restaurants, retail stores and more. We are custom lighting design experts, who offer a vast line of designer lighting from traditional to contemporary styles in various fabrics and finishes.

Stonegate by AFX lighting combines design with technology, using only the highest quality materials. Our fixtures are manufactured in the USA by people who take pride in their work – every detail counts. From shade construction to base finishes, quality comes first – because it's all about the quality of light. Stonegate is perfect for anyone searching for creative lighting that will add a touch of excitement to their space.

We have assembled a diverse and eclectic design team as the creative energy that fuels the Stonegate by AFX brand. Representing all corners of the globe, these artists are each unique from the other – making the Stonegate by AFX catalog robust and inspirational for every style.

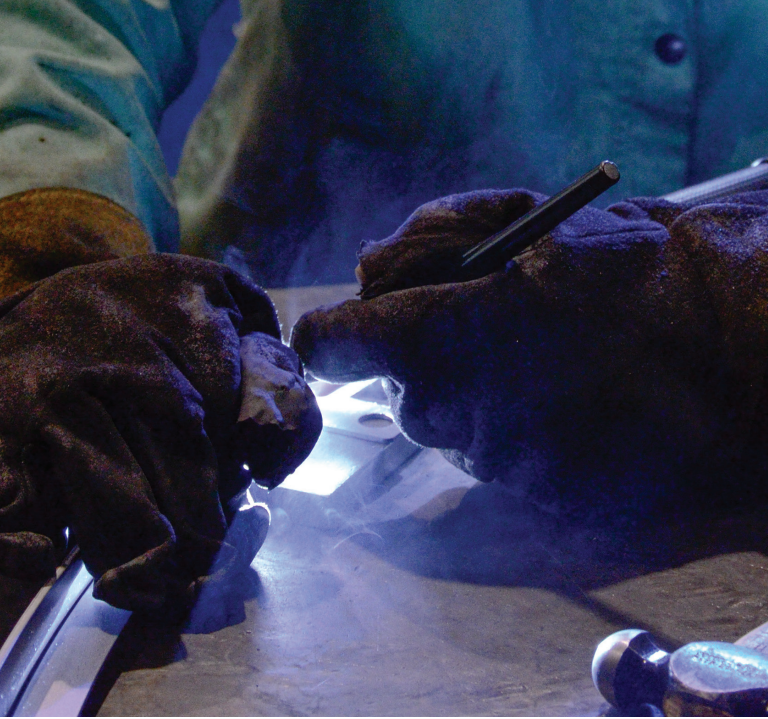

Visit StonegateByAFX.com for more information about our designers and our products.

All products are proudly hand made in the USA to exacting process standards by skilled trades people.

custom

Finish: P05 Polished Nickel

HOW TO BUILD A PART NUMBER

Step 1: Select your Design by indicating the PART NUMBER: For example, indicate SP10438 for the 16" Astoria Square Pendant.

Step 2: Choose your FINISH:

Indicate P05 for the polished nickel finish.

Step 3: Pick your FABRIC by number and color:

Indicate the fabric type: 614, for our silk dupioni; and then indicate the fabric color: IVY for ivory silk. If using Customer's Own Material, indicate COM as the fabric choice. (Stonegate by AFX must verify the workability of all COM fabrics prior to placing your order).

*Changing the fabric from the standard fabric offering will result in a nominal upcharge.

Step 4: Don't forget additional options, such as WOOD (if applicable):

Indicate W03 for the walnut wood.

Complete Part Number:

A complete part number will look like: SP10438-P05-614IVY-W03

IMPORTANT NOTE:

- *All pendants come with a standard 36" Stem Kit:
(1) 6", 12", 18" stem.*
- *All fixtures come with medium base sockets,
unless otherwise noted.*
- *Need extra stems? Top Diffuser?
Slope ceiling? Glass ball finial?
Please contact factory for a custom quote.*

ORDER PLACEMENT

Stonegate by AFX accepts orders in writing only by email, fax, or postal service. To avoid discrepancies, verbal orders will not be accepted. Visit www.StonegateByAFX.com for Sales Terms & Conditions.

Mail orders to: Stonegate by AFX
Attn: Customer Service
2345 N. Ernie Krueger Circle
Waukegan, IL 60087

Fax orders to: 847.249.2618

Email orders to: orders@stonegatebyafx.com

To avoid delays in processing, buyers (retailers, designers and representatives) must submit a complete order with part numbers, fabric choices, finish selections, and quantities. Fabric and finish options are listed on page 26 of this brochure and on the Stonegate by AFX website.
